SENATE MOTION
(Amendment 335-1)

Madam President: I move that Senate Bill 335 be amended to read as follows:

Page 76, between lines 5 and 6, begin a new paragraph and insert:

"SECTION 53. IC 35-33-8-3.2, AS AMENDED BY P.L.161-2018, SECTION 115, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2020]: Sec. 3.2. (a) After considering the results of the Indiana pretrial risk assessment system (if available), other relevant factors, and bail guidelines described in section 3.8 of this chapter, **and subject to section 3.8 of this chapter**, a court may admit a defendant to bail and impose any of the following conditions to assure the defendant's appearance at any stage of the legal proceedings, or, upon a showing of clear and convincing evidence that the defendant poses a risk of physical danger to another person or the community, to assure the public's physical safety:

(1) Require the defendant to:

- (A) execute a bail bond with sufficient solvent sureties;
- (B) deposit cash or securities in an amount equal to the bail;
- (C) execute a bond secured by real estate in the county, where thirty-three hundredths (0.33) of the true tax value less encumbrances is at least equal to the amount of the bail;
- (D) post a real estate bond; or
- (E) perform any combination of the requirements described in clauses (A) through (D).

If the court requires the defendant to deposit cash or cash and another form of security as bail, the court may require the defendant and each person who makes the deposit on behalf of the defendant to execute an agreement that allows the court to retain all or a part of the cash to pay publicly paid costs of representation and fines, costs, fees, and restitution that the court may order the defendant to pay if the defendant is convicted. The defendant must also pay the fee required by subsection (d).

(2) Require the defendant to execute:

- (A) a bail bond by depositing cash or securities with the clerk of the court in an amount not less than ten percent (10%) of the bail; and
- (B) an agreement that allows the court to retain all or a part of the cash or securities to pay fines, costs, fees, and

restitution that the court may order the defendant to pay if the defendant is convicted.

A portion of the deposit, not to exceed ten percent (10%) of the monetary value of the deposit or fifty dollars (\$50), whichever is the lesser amount, may be retained as an administrative fee. The clerk shall also retain from the deposit under this subdivision fines, costs, fees, and restitution as ordered by the court, publicly paid costs of representation that shall be disposed of in accordance with subsection (b), and the fee required by subsection (d). In the event of the posting of a real estate bond, the bond shall be used only to insure the presence of the defendant at any stage of the legal proceedings, but shall not be foreclosed for the payment of fines, costs, fees, or restitution. The individual posting bail for the defendant or the defendant admitted to bail under this subdivision must be notified by the sheriff, court, or clerk that the defendant's deposit may be forfeited under section 7 of this chapter or retained under subsection (b).

(3) Impose reasonable restrictions on the activities, movements, associations, and residence of the defendant during the period of release.

(4) Except as provided in section 3.6 of this chapter, require the defendant to refrain from any direct or indirect contact with an individual and, if the defendant has been charged with an offense under IC 35-46-3, any animal belonging to the individual, including if the defendant has not been released from lawful detention.

(5) Place the defendant under the reasonable supervision of a probation officer, pretrial services agency, or other appropriate public official. If the court places the defendant under the supervision of a probation officer or pretrial services agency, the court shall determine whether the defendant must pay the pretrial services fee under section 3.3 of this chapter.

(6) Release the defendant into the care of a qualified person or organization responsible for supervising the defendant and assisting the defendant in appearing in court. The supervisor shall maintain reasonable contact with the defendant in order to assist the defendant in making arrangements to appear in court and, where appropriate, shall accompany the defendant to court. The supervisor need not be financially responsible for the defendant.

(7) Release the defendant on personal recognizance unless:

- (A) the state presents evidence relevant to a risk by the defendant:
 - (i) of nonappearance; or
 - (ii) to the physical safety of the public; and
- (B) the court finds by a preponderance of the evidence that the risk exists.

(8) Require a defendant charged with an offense under IC 35-46-3 to refrain from owning, harboring, or training an animal.

(9) Impose any other reasonable restrictions designed to assure the defendant's presence in court or the physical safety of another person or the community.

(b) Within thirty (30) days after disposition of the charges

against the defendant, the court that admitted the defendant to bail shall order the clerk to remit the amount of the deposit remaining under subsection (a)(2) to the defendant. The portion of the deposit that is not remitted to the defendant shall be deposited by the clerk in the supplemental public defender services fund established under IC 33-40-3.

(c) For purposes of subsection (b), "disposition" occurs when the indictment or information is dismissed or the defendant is acquitted or convicted of the charges.

(d) Except as provided in subsection (e), the clerk of the court shall:

- (1) collect a fee of five dollars (\$5) from each bond or deposit required under subsection (a)(1); and
- (2) retain a fee of five dollars (\$5) from each deposit under subsection (a)(2).

The clerk of the court shall semiannually remit the fees collected under this subsection to the board of trustees of the Indiana public retirement system for deposit in the special death benefit fund. The fee required by subdivision (2) is in addition to the administrative fee retained under subsection (a)(2).

(e) With the approval of the clerk of the court, the county sheriff may collect the bail posted under this section. The county sheriff shall remit the bail to the clerk of the court by the following business day and remit monthly the five dollar (\$5) special death benefit fee to the county auditor.

(f) When a court imposes a condition of bail described in subsection (a)(4):

- (1) the clerk of the court shall comply with IC 5-2-9; and
- (2) the prosecuting attorney shall file a confidential form prescribed or approved by the office of judicial administration with the clerk.

SECTION 54. IC 35-33-8-3.8, AS ADDED BY P.L.187-2017, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2020]: Sec. 3.8. (a) A court shall consider the results of the Indiana pretrial risk assessment system (if available) before setting or modifying bail for an arrestee.

(b) **Except as provided in sections 3.5 and 4.5 of this chapter, and except as provided in subsection (c), an arrestee whose most serious pending charge is a misdemeanor is presumptively entitled to release without money bail or surety. Unless the court finds by a preponderance of the evidence, based on the results of the Indiana pretrial risk assessment system (if available) and other relevant factors, that an arrestee does not present presents a substantial risk of flight or danger to the arrestee or others, the court shall consider releasing release the arrestee without money bail or surety, subject to restrictions and conditions as determined by the court. unless one (1) or more of the following apply:**

(c) **An arrestee is not entitled to release without money bail or surety if one (1) or more of the following apply:**

- (1) The arrestee is charged with murder or treason.
- (2) The arrestee is on pretrial release not related to the incident that is the basis for the present arrest.
- (3) The arrestee is on probation, parole, or other community supervision.

(d) The court is not required to administer an assessment

before releasing an arrestee if administering the assessment will delay the arrestee's release."

SENATE MOTION (Amendment 409-1)

Madam President: I move that Senate Bill 409 be amended to read as follows:

Page 11, between lines 15 and 16, begin a new paragraph and insert:

"SECTION 14. IC 22-2-2-4, AS AMENDED BY P.L.38-2019, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE MAY 1, 2020]: Sec. 4. (a) No employer having employees subject to any provisions of this section shall discriminate, within any establishment in which employees are employed, between employees on the basis of sex by paying to employees in such establishment a rate less than the rate at which the employer pays wages to employees of the opposite sex in such establishment for equal work on jobs the performance of which requires equal skill, effort, and responsibility, and which are performed under similar working

conditions, except where such payment is made pursuant to:

- (1) a seniority system;
- (2) a merit system;
- (3) a system which measures earnings by quantity or quality of production; or
- (4) a differential based on any other factor other than sex.

(b) An employer who is paying a wage rate differential in violation of subsection (a) shall not, in order to comply with subsection (a), reduce the wage rate of any employee, and no labor organization, or its agents, representing employees of an employer having employees subject to subsection (a) shall cause or attempt to cause such an employer to discriminate against an employee in violation of subsection (a).

(c) Except as provided in ~~subsections~~ **subsection (d), and (f);** every employer employing at least two (2) employees during a work week shall, in any work week in which the employer is subject to this chapter, pay each of the employees in any work week beginning on or after June 30, 2007, wages of not less than the minimum wage payable under the federal Fair Labor Standards Act of 1938, as amended (29 U.S.C. 201 et seq.).

(d) An employer subject to subsection (c) is permitted to apply a tip credit in determining the amount of cash wage paid to tipped employees. In determining the wage an employer is required to pay a tipped employee, the amount paid the employee by the employee's employer must be an amount equal to:

- (1) the cash wage paid the employee, which for purposes of the determination may be not less than the cash wage required to be paid to employees covered under the federal Fair Labor Standards Act of 1938, as amended (29 U.S.C. 203(m)(1)) on August 20, 1996, which amount is two dollars and thirteen cents (\$2.13) an hour; and
- (2) an additional amount on account of the tips received by the employee, which amount is equal to the difference between the wage specified in subdivision (1) and the wage in effect under subsection (c).

An employer is responsible for supporting the amount of tip credit taken through reported tips by the employees.

(e) This section does not apply if an employee:

- (1) provides companionship services to the aged and infirm (as defined in 29 CFR 552.6); and
- (2) is employed by an employer or agency other than the family or household using the companionship services, as provided in 29 CFR 552.109 (a).

~~(f) This subsection applies only to an employee who has not attained the age of twenty (20) years. Instead of the rates prescribed by subsections (c) and (d); an employer may pay an employee of the employer; during the first ninety (90) consecutive calendar days after the employee is initially employed by the employer; a wage which is not less than the amount payable under the federal Fair Labor Standards Act of 1938, as amended (29 U.S.C. 201 et seq.); during the first ninety (90) consecutive calendar days after initial employment to an employee who has not attained twenty (20) years of age. However, no employer may take any action to displace employees (including partial displacements such as reduction in hours, wages, or employment benefits) for purposes of hiring individuals at the wage authorized in this subsection.~~

~~(g) (f)~~ Except as otherwise provided in this section, no employer shall employ any employee for a work week longer than forty (40) hours unless the employee receives compensation for employment in excess of forty (40) hours at a rate not less than one and one-half (1.5) times the regular rate at which the employee is employed.

~~(h) (g)~~ For purposes of this section the following apply:

- (1) "Overtime compensation" means the compensation required by subsection ~~(g); (f)~~.
- (2) "Compensatory time" and "compensatory time off" mean hours during which an employee is not working, which are not counted as hours worked during the applicable work week or other work period for purposes of overtime compensation, and for which the employee is compensated at the employee's regular rate.
- (3) "Regular rate" means the rate at which an employee is employed is considered to include all remuneration for employment paid to, or on behalf of, the employee, but is not considered to include the following:

(A) Sums paid as gifts, payments in the nature of gifts made at Christmas time or on other special occasions, as a reward for service, the amounts of which are not measured by or dependent on hours worked, production, or efficiency.

(B) Payments made for occasional periods when no work is performed due to vacation, holiday, illness, failure of the employer to provide sufficient work, or other similar cause, reasonable payments for traveling expenses, or other expenses, incurred by an employee in the furtherance of the employer's interests and properly reimbursable by the employer, and other similar payments to an employee which are not made as compensation for the employee's hours of employment.

(C) Sums paid in recognition of services performed during a given period if:

- (i) both the fact that payment is to be made and the amount of the payment are determined at the sole discretion of the employer at or near the end of the period and not pursuant to any prior contract, agreement, or promise causing the employee to expect the payments regularly;
- (ii) the payments are made pursuant to a bona fide profit sharing plan or trust or bona fide thrift or savings plan, meeting the requirements of the administrator set forth in appropriately issued regulations, having due regard among other relevant factors, to the extent to which the amounts paid to the employee are determined without regard to hours of work, production, or efficiency; or
- (iii) the payments are talent fees paid to performers, including announcers, on radio and television programs.

(D) Contributions irrevocably made by an employer to a trustee or third person pursuant to a bona fide plan for providing old age, retirement, life, accident, or health insurance or similar benefits for employees.

(E) Extra compensation provided by a premium rate

paid for certain hours worked by the employee in any day or work week because those hours are hours worked in excess of eight (8) in a day or in excess of the maximum work week applicable to the employee under subsection ~~(g)~~ (f) or in excess of the employee's normal working hours or regular working hours, as the case may be.

(F) Extra compensation provided by a premium rate paid for work by the employee on Saturdays, Sundays, holidays, or regular days of rest, or on the sixth or seventh day of the work week, where the premium rate is not less than one and one-half (1.5) times the rate established in good faith for like work performed in nonovertime hours on other days.

(G) Extra compensation provided by a premium rate paid to the employee, in pursuance of an applicable employment contract or collective bargaining agreement, for work outside of the hours established in good faith by the contract or agreement as the basic, normal, or regular workday (not exceeding eight (8) hours) or work week (not exceeding the maximum work week applicable to the employee under subsection ~~(g)~~ (f)) where the premium rate is not less than one and one-half (1.5) times the rate established in good faith by the contract or agreement for like work performed during the workday or work week.

~~(h)~~ (h) No employer shall be considered to have violated subsection ~~(g)~~ (f) by employing any employee for a work week in excess of that specified in subsection ~~(g)~~ (f) without paying the compensation for overtime employment prescribed therein if the employee is so employed:

(1) in pursuance of an agreement, made as a result of collective bargaining by representatives of employees certified as bona fide by the National Labor Relations Board, which provides that no employee shall be employed more than one thousand forty (1,040) hours during any period of twenty-six (26) consecutive weeks; or

(2) in pursuance of an agreement, made as a result of collective bargaining by representatives of employees certified as bona fide by the National Labor Relations Board, which provides that during a specified period of fifty-two (52) consecutive weeks the employee shall be employed not more than two thousand two hundred forty (2,240) hours and shall be guaranteed not less than one thousand eight hundred forty (1,840) hours (or not less than forty-six (46) weeks at the normal number of hours worked per week, but not less than thirty (30) hours per week) and not more than two thousand eighty (2,080) hours of employment for which the employee shall receive compensation for all hours guaranteed or worked at rates not less than those applicable under the agreement to the work performed and for all hours in excess of the guaranty which are also in excess of the maximum work week applicable to the employee under subsection ~~(g)~~ (f) or two thousand eighty (2,080) in that period at rates not less than one and one-half (1.5) times the regular rate at which the employee is employed.

~~(i)~~ (i) No employer shall be considered to have violated subsection ~~(g)~~ (f) by employing any employee for a work week in excess of the maximum work week applicable to the employee under subsection ~~(g)~~ (f) if the employee is employed pursuant to a bona fide individual contract, or pursuant to an agreement made as a result of collective bargaining by representatives of employees, if the duties of the employee necessitate irregular hours of work, and the contract or agreement includes the following:

(1) Specifies a regular rate of pay of not less than the minimum hourly rate provided in subsections (c) and (d) and ~~(f)~~; (whichever is applicable) and compensation at not less than one and one-half (1.5) times that rate for all hours worked in excess of the maximum work week.

(2) Provides a weekly guaranty of pay for not more than sixty (60) hours based on the rates so specified.

~~(j)~~ (j) No employer shall be considered to have violated subsection ~~(g)~~ (f) by employing any employee for a work week in excess of the maximum work week applicable to the employee under that subsection if, pursuant to an agreement or understanding arrived at between the employer and the employee before performance of the work, the amount paid to the employee for the number of hours worked by the employee in the work week in excess of the maximum work week applicable to the employee under that subsection:

(1) in the case of an employee employed at piece rates, is computed at piece rates not less than one and one-half (1.5) times the bona fide piece rates applicable to the same work when performed during nonovertime hours;

(2) in the case of an employee performing two (2) or more kinds of work for which different hourly or piece rates have been established, is computed at rates not less than one and one-half (1.5) times those bona fide rates applicable to the same work when performed during nonovertime hours; or

(3) is computed at a rate not less than one and one-half (1.5) times the rate established by the agreement or understanding as the basic rate to be used in computing overtime compensation thereunder, provided that the rate so established shall be substantially equivalent to the average hourly earnings of the employee, exclusive of overtime premiums, in the particular work over a representative period of time;

and if the employee's average hourly earnings for the work week exclusive of payments described in this section are not less than the minimum hourly rate required by applicable law, and extra overtime compensation is properly computed and paid on other forms of additional pay required to be included in computing the regular rate.

~~(k)~~ (k) Extra compensation paid as described in this section shall be creditable toward overtime compensation payable pursuant to this section.

~~(l)~~ (l) No employer shall be considered to have violated subsection ~~(g)~~ (f) by employing any employee of a retail or service establishment for a work week in excess of the applicable work week specified therein, if:

(1) the regular rate of pay of the employee is in excess of one and one-half (1.5) times the minimum hourly rate

applicable to the employee under section 2 of this chapter; and

(2) more than half of the employee's compensation for a representative period (not less than one (1) month) represents commissions on goods or services.

In determining the proportion of compensation representing commissions, all earnings resulting from the application of a bona fide commission rate shall be considered commissions on goods or services without regard to whether the computed commissions exceed the draw or guarantee.

~~(m)~~ (m) No employer engaged in the operation of a hospital or an establishment which is an institution primarily engaged in the care of the sick, the aged, or individuals with a mental illness or defect who reside on the premises shall be considered to have violated subsection ~~(g)~~ (f) if, pursuant to an agreement or understanding arrived at between the employer and the employee before performance of the work, a work period of fourteen (14) consecutive days is accepted in lieu of the work week of seven (7) consecutive days for purposes of overtime computation and if, for the employee's employment in excess of eight (8) hours in any workday and in excess of eighty (80) hours in that fourteen (14) day period, the employee receives compensation at a rate not less than one and one-half (1.5) times the regular rate at which the employee is employed.

~~(n)~~ (n) No employer shall employ any employee in domestic service in one (1) or more households for a work week longer than forty (40) hours unless the employee receives compensation for that employment in accordance with subsection ~~(g)~~ (f).

SENATE MOTION (Amendment 449-2)

Page 2, after line 42, begin a new paragraph and insert:

"SECTION 2. IC 11-10-1-8 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2020]: **Sec. 8. (a) As used in this section, "young offender" means an offender (as defined in IC 11-8-1-9) who:**

- (1) is less than twenty-one (21) years of age; and**
- (2) has been sentenced to the department by a court having criminal jurisdiction.**

(b) The department may not house a young offender in the general population of a correctional facility.

(c) If the department houses a young offender in a facility or part of a facility that is located on the same grounds or in the same building as an adult facility, the facility must provide for the following:

- (1) Total separation between young offender and adult facility spatial areas so that there could be no haphazard or accidental contact among young offenders and adult residents in the respective facilities. If space is used for both young offenders and adults, time-phasing of the use is acceptable if the arrangement precludes haphazard or accidental contact among young offenders and adult residents at all times. Sleeping or other living areas may not be shared under any circumstances.**
- (2) Total separation in all young offender and adult program activities within the facilities, including recreation, education, counseling, health care, dining, sleeping, and general living activities. Program activities may not be shared by young offenders and adult residents. However, program space, equipment, and other resources may be used by both young offenders and adult residents subject to subdivision (1).**

SECTION 3. IC 11-10-2-10 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2020]: Sec. 10. (a) The commissioner may transfer a committed delinquent offender to an adult facility or program according to the following requirements:

- (1) The offender must be seventeen (17) years of age or older at the time of transfer.
- (2) The department must determine that:
 - (A) either the offender is incorrigible to the degree that

~~his~~ **the offender's** presence at a facility or program for delinquent offenders is seriously detrimental to the welfare of other offenders, or the transfer is necessary for the offender's own physical safety or the physical safety of others; and

(B) there is no other action reasonably available to alleviate the problem.

(3) The offender is housed in a facility for young offenders, as described in IC 11-10-1-8.

~~(3)~~ **(4)** No offender may be transferred to **a county jail**, the Indiana state prison, or the Pendleton Correctional Facility.

(b) Subject to IC 11-10-1-8 (housing for young offenders), the offender is under the full custody of the adult facility or program to which ~~he~~ **the offender** is transferred until ~~he~~ **the offender** is returned to a facility or program for delinquent offenders, except that ~~his~~ **the offender's** parole or discharge from the department shall be determined under IC 11-13-6.

SECTION 4. IC 11-12-4-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2020]: Sec. 1. (a) The department shall adopt under IC 4-22-2 minimum standards for county jails governing:

- (1) general physical and environmental conditions;
- (2) services and programs to be provided to confined persons; and
- (3) procedures for the care and control of confined persons that are necessary to ensure the health and safety of confined persons, the security of the jail, and public safety.

However, the department may not adopt any standard that prohibits the placement of more than one (1) prisoner in a prisoner cell that has thirty-five (35) square feet or more of floor space per prisoner.

(b) Standards adopted under this section must prohibit housing a child less than eighteen (18) years of age in the same cell as an adult, even if the child:

- (1) is being charged as an adult; or**
- (2) has been convicted of a crime as an adult.**

This subsection does not prohibit a child described in subdivision (1) or (2) from being housed in the same cell as another child described in subdivision (1) or (2).

~~(b)~~ **(c)** The standards must be sufficiently flexible to foster the development of new and improved practices and to accommodate local needs and circumstances. The standards must be consistent with the laws of Indiana and the rules of the state department of health and the fire prevention and building safety commission.

~~(c)~~ **(d)** The commissioner shall select a committee of not less than five (5) county sheriffs to consult with the department before and during the drafting of the proposed minimum standards. County sheriffs shall be selected from the various classes of counties to ensure that densely, moderately, and sparsely populated counties are represented. Each county sheriff is entitled to the minimum salary per diem as provided in IC 4-10-11-2.1 for each day engaged in the official business of the committee and to reimbursement for traveling and other expenses, as provided in the state travel policies and procedures established by the Indiana department of administration and approved by the budget agency.

~~(d)~~ **(e)** At least sixty (60) days before setting the date for a

public hearing under IC 4-22-2, the department shall forward copies of the proposed minimum standards to each county sheriff and each board of county commissioners and shall solicit their views and suggestions."

(2) another sheriff or the commissioner of the department of correction has agreed to accept custody of inmates from the sheriff;

the court may order inmates transferred to the custody of the person who has agreed to accept custody. Whenever a transfer order is necessary under this section, only inmates serving a sentence after conviction for a crime may be transferred, unless the overcrowding or inadequacy of the facility also requires transfer of inmates awaiting trial or sentencing."
